Fall Fest Worship Series

The Vision:

- + Provide a Christ-centered entertainment and worship experience for Northern Michigan once or possibly twice a year in connection with Big Ticket and Promise FM radio station

The Plan:

- + The purpose of this venture is to provide the resources and the opportunity to bring highly recognized Christian singers and music groups to Northern Michigan on a regular basis to encourage worship and unity.

Fall Fest Worship Series

The Plan:

- + In coordination with Big Ticket Festival (BTF) and The Promise FM Christian Radio we will invite worship artists to come back to Northern Michigan during the offseason to provide worship experiences. Venues can be in local High School auditoriums or the Great Lakes Performing Arts Theater in Bay Harbor. Both will seat 500-600+.
- + BTF will offer its contacts with both the artists and concert attendee lists. This will help to bring in the most current and affordable artists and then be able to easily get the word out. Also, these events will be marketed and tickets presold at the summer BTF event.
